

SAMPFORD ARUNDIEL

SENIOR CITIZENS.

The club is now in its 35th year with twenty members, we have just started our summer programme with a visit to Oak Tree Court Nursing Home where we had a sing-a-long and tea with some of the residents. during the past few years we have formed a rapport with Oak Tree by joining residents for tea and entertainment at Sampford Farm by kind permission of Mrs. Hill, we will be out and about for the rest of the summer

Several of our members come to the club from outside the village, Wellington and surrounding areas we feel very proud that they want to join us at our little club.

We may not be able to afford expensive speakers or trips out but what we do have is lots of laughs and companionship.

Margaret Meale.
